

PLAYING PENNANT BALL

THE CHERRUBS PUT UP A SMART GAME WITH THEIR WEAPONS.

If They Continue This Sort of Work They Will Soon Land at the Top-Leaver Kept the Hits Well Scattered.

PATERSON, N. J., July 12.—Special.—The Cherrubs are after that pennant, and clean ball playing such as they put up to-day, is likely to land them near the top, if kept up. Both pitchers were hit freely, but Leaver kept his well scattered. Loose holding by the home team helped the Richmond's build up their score, but they always had the game well in hand.

One of a crowd of hoodlums threw a stone at Umpire Burns during the progress of the ninth inning, and this act nearly precipitated trouble, but cooler

judgment prevailed and no one was injured. The crowd thought Burns was giving the home team the worst of it, but while his umpiring may not have been of the first-class variety, it was at least impartial. Richmond's runs were made as follows:

In the second inning Foster singled to center and continued on to third when Grove let the ball go through him. He scored on Leaver's hit, and the latter crossed the rubber on hits by Hargrove and Stuart and Gilman's error. One run was made in the fourth on singles by Leaver and McDonald, and infield out and Wells' fly to right. One scored in the sixth on Elbert's three-bagger and McDonald's out from short to first. Two in the ninth on Leaver's three bagger. Hargrove's single, Stuart's sacrifice and a single by Kain.

Paterston got one in the first on a base on balls to Hargrove, Grove's single and Hardesty's two bagger. One in the third on singles by Heidrick, Grove and Hardesty. And one in the seventh on Heidrick's three bagger and Grove's single.

President Pulliam of the Louisville League team, and Manager McKee, of Paterston, this morning concluded a deal by which Wagner, Paterston's crack third baseman goes to Louisville. It is under-

stood the consideration was \$2,000 and one of Louisville's extra infielders, either John or Heck.

Mr. Pulliam was very generous to Wagner in the matter of salary, and the latter will receive just double the amount he drew in this city. He will be played in center field for a while. Paterston ball cranks consider that Louisville has got a bargain.

Base-Ball Notes.

Cheer up, Cherrubs!

When the quitter gets to quitting

He just makes the world him

With his fierce and loud out-spitting

Shriekings, "Ain't the Cherrubs bum!"

But when luck again is smiling

He is heaving in a trice

And in language most beguiling

Off he murmurs, "Ain't they nice?"

The Cherrubs played one game yesterday

but Hartford played two and won

both, and thereby got ahead of the fast

boys from the sunny South.

The Paterston call says: "McFarlane

played a great game in center field, and

substantiated our opinion that he is one

of the fastest center fielders in the league.

He, with Hargrove of Richmond, Caville

of Norfolk and Leidy of Lancaster, are

a quartette of center fielders hard to beat

anywhere."

Lefty Marr's club is a few shakes, and

Lefty himself is some pumpkins.

Oh, why didn't they play two games?

Both leading clubs took a drop and the

Hartford-Richmond boys went up. They

are all getting together in the swim.

Reading ain't doing a thing to Lancas-

ter.

Hartford won two from the Athletics

and Richmond two from Now. What will

these two clubs do when they get together

this week?

Professor Sammy and the Duke of Ful-

ton run up against Flaherty and West-

lake.

Paterston made four errors; the Cherrubs

none.

Crew of the Mary Jane didn't do a

thing to Snail Johnson and King Zeeross.

Pitcher Harry Hettling has been given

his release by the Lancaster club. Hett-

ling has been with the club all season,

and in the spring he did good work. He

would not leave a good man for

some minor league team. The manage-

ment didn't consider him fast enough for

this club, hence his release.

After this week they will be at home

for three weeks.

"They have a funny official score up in

Grand Rapids," said Billy Gray to an

Indianapolis Journal reporter. "When we

were up there recently I had four put-outs

and three assists in one of the games,

and the next morning he had a row of

clippers in the last three columns of his

score as appeared in the paper. He re-

sponded I hunted him up and said to

him: 'Did I play yesterday?' 'What's

your name?' he asked. I told him, and he

said: 'You're the fellow who played

four put-outs and three assists in one

game, and the next morning you're

being put in the last three columns of

my score as having played yesterday.'

"That's the way they do it," said

Gray. "They don't care who plays

yesterday, they care who plays to-

day."

League team, and Manager McKee, of Pa-

terston, this morning concluded a deal
